## WHO ARE WE?

The Ukiah Valley Basin Groundwater Agency is a public agency formed to sustainably manage groundwater in the Ukiah Valley Basin. The agency was formed in 2017 and is in the process of developing a local Groundwater Sustainability Plan in accordance with the Sustainable Groundwater Management Act (SGMA).

**JOIN** us to learn about the condition and health of your groundwater basin.

**PARTICIPATE** to ensure we all have equal access to this valuable resource.

**UNDERSTAND** steps we are taking to maintain the basin for future generations.

**SHARE** so we can all work to maintain the health of groundwater in the valley.

## THE AGENCY INCLUDES REPRESENTATIVES FROM:

- County of Mendocino
- City of Ukiah
- Upper Russian River Water Agency
- Russian River Flood Control
- Tribal Community
- Agricultural Community

**Your Voice is critical in making this plan work for everyone in the Valley!**
